Hi Stacy,

I just sent you the information on how to access the Client Site. Feel free to give me a call at your convenience to go over. We received your changes to the drop-down lists for the survey questions on Thursday afternoon and are in the process of getting them added to the Client site.
At this time, you just won't be able to see them on the Client Site.

Best,

Rellen

What do you mean by "Just a reminder we are still in process of adding the survey questions."? I am getting communications from people faster than I can keep up. Several are asking for the link to update online. Unfortunately, because I can't give them that, they are continuing to get emails telling them to update. As for the others who have updated through us, I'm going to have to pull a list through our Advancement Services person because they have come in through several channels. My hope was that the client site, would allow me to address both sets of alumni I'm trying to address.

Hi Stacy,

Just send me the list of alumni, I'll remove them from marketing outreach.

I will also send you the info on the client site in a separate email shortly, where you can do so also. Just a reminder we are still in process of adding the survey questions.

Best,

Rellen

I am emailing again to check on the status of the client site. I very much need to start notifying you of the people who have indicated they do not want to receive additional communications regarding the directory.
